Objects and Printed Alphabet for Word Building

Materials:

Rug or Table

18 boxes or pouches, one for each of the beginning phonograms

- Each box or pouch is labeled on the outside with a phonogram, and contains 5 objects which are phonetic except for the **isolated phonogram**. Letters from the Printed Alphabet are contained in a small bag or envelope within the green box, in the exact quantity necessary to spell the objects' names in black and isolate the phonogram in red.
- This beginning set of phonograms are those that will be most beneficial for children to know first. They include the following:
